

How to log into the Locker

NCCP #, sometimes referred to as a **CC #** or **Locker #**; is a unique identifier associated with a coach's Locker account. The NCCP # is 3-7 digits in length, and contains no letters.

NCCP # = Locker Account
Please do not register in the Locker if you already have an NCCP #. If you discover that you have a duplicate NCCP #, notify the CAC contact below to merge your accounts.

All new NCCP#s must be approved by the CAC. This means that the account is not instantly available after registration. Most accounts are confirmed in 1-2 business days.

If you encounter any error messages, or if you have questions about your existing NCCP # or acquiring one, contact Coach & Partner Services at 613.235.5000 Ext. 1 or by email at coach@coach.ca.
